

Travelling with Infants on the Alpine Action flights and coaches.

Infant baggage allowance, pushchairs and car seats.

- Infants receive 1 x 10kg baggage allowance
- Pushchairs, prams and car seats are free of charge

Adults travelling with infants who have baggage included in their holiday package on our all flights and qualify for an extra 10 kg of hold baggage.

The 10kg additional baggage allowance can be combined with the adult 20kg allowance in one piece of baggage, subject to hold bag fee. Alternatively, the additional 10kg can be carried in a separate bag which will be exempt from any further charges.

Please note that we will not accept a single bag that weighs more than 32kg to help reduce the manual handling injuries among airport staff.

Pushchairs, prams or car seats will continue to be carried free of charge. Pushchairs or prams will come through with all other luggage on the baggage belt inside the terminal. Child passengers will have a 20kg allowance included in their holiday package. Pushchairs are also free of charge, for children who require them.

PLEASE NOTE:

- Infants are children under the age of 2 years old at the time of travel
- Coach companies are unable to provide child seats or booster seats. Should you wish your child to travel with one of these we advise you to bring your own although please bear in mind there is no guarantee it will fit on the coach as most have lap belts. Infants under 2 years old are not allocated a seat on our coaches.
- Cots and highchairs are provided at all our chalets, as travel cots are not carried free of charge on the flights and must be part of the 10kgs allowance.
