TESTIMONIALS

"A fantastic week with great tuition. Great constructive feedback from the instructor. I didn't expect to be able to do red runs by the end of my first week! Thank you so much - hopefully I will be back again next year!" - Ellen T.

"Just a quick note to say thanks and we've had an fantastic couple of days with you. I used to think we were fairly good boarders, but it's amazing what a couple of lessons shows you you've been missing for the last 10 years!" - Paul Y.

WHAT'S MY LEVEL?

USE THIS GUIDE TO CHECK WHICH LESSONS ARE SUITABLE FOR YOUR LEVEL

LEVEL 01

It's my first time on a snowboard and I wouldn't know the difference between a highback and a toestraps! Or, I've tried it before but want to start at the beginning.

LEVEL 02

I'm getting the hang of it, I can turn both ways on easy runs but if it gets steep or narrow I come unstuck.

LEVEL 03

I'm happy on all runs but I feel like I've hit a plateau. How can I progress?

LEVEL 04

I can ride the whole mountain and/or I'm into freestyle. I really want to push my limits.
