

We are delighted to team up with Parallel Lines ski school, to offer this fantastic addition to your children's ski lessons!

Our new Kids Lunch Club service will link seamlessly with our Kids Ski Safaris. Your children will be collected from their Parallel Lines lesson at 1.30pm and taken to lunch at a restaurant (or a picnic during sunny warm days), they will then be entertained till 4:30pm doing a range of activities including, sledging, bowling, snowman making and more!

Pick up at the end of the day will then be at 4:30pm from the Parallel Lines Ski School Meeting Point

Bookings can be individual days or a whole week (Mon-Fri) and are priced at **€66 per child, per afternoon** inclusive of TVA, lunch and all activities

This package is available for children from 4 – 12 years, numbers are limited to a maximum of 8 children per nanny.

Example weekly plan:

Monday	Tuesday	Wednesday	Thursday	Friday
Meribar Lunch	Cantina Lunch	Picnic Lunch	Tremplin Lunch	Meribar Lunch
Arts and crafts	Hamma beads	Face painting	Ski Design competition	Mask making
Outdoor games	Sledging	Bowling party	Snowfort building	sledging
Pick up 4:30pm	Pick up 4:30pm	Pick up 4:30pm	Pick up 4:30pm	Pick up 4:30pm

Meribel Nanny Services owner Nicole will be at the Parallel lines meet point Monday mornings from 9am to meet and greet children and answer any questions you may have.

“Arthur and Florence loved their time with Nicole at lunch club. They did fun new things and felt very grown up to be in a restaurant without us. A fabulous service and lovely people”

Eaves family

*Allergies – We take allergies and dietary requirements very seriously. As we are not preparing the food ourselves, we may not be able to cater for all dietary requirements, please let us know before booking and we can check with the restaurants that the child can be catered for.

Lunch club is available for weeks commencing 23rd December 2019, 30th December 2019, 17th February 2020, 24th February 2020, 30th March 2020 & 06th April 2020 (More dates may be added if there is a high demand for it)
